ORDER Appointing Water Commissioners.

IT APPEARING appearing to the Court that it is necessary to have suitable persons to distribute and divide the waters of Boulder Creek, and distribute said waters to the plaintiffs and defendants in the above entitled action in accordance to their respective rights as set out and defined in the decree herein heretofore rendered; and, it also appearing that George Ormand and J. C. Peters are suitable and proper persons to act as such commissioners, it is therefore

O R D E R E D that said George Ormand and J. C. Peters be and they are hereby appointed Commissioners of this court to divide and distribute the waters of Boulder Creek to the parties to this action in accordance with the decree of this court heretofore rendered herein and to act as such Commissioners until further order of this court. It is futher

O R D E R E D that in the event that the said two Commissioners so appointed cannot agree to a proper division of said waters, then they may choose a third person from among the parties to this action and the decision and acts of two of such three persons shall be binding and prevail.

The costs and expense of said Commissioners in acting under this order shall be paid by the parties to this action in proportion to their respective interests in said waters.

Dated this 10th day of April, 1903.

John F. Chridesten  
District Judge.
